

November 2-3, 1978

AGENDA ITEM: 16 - Cancelled

ACTION REQUIRED: Informational

SUBJECT: FMP for the Shrimp Fishery in the Bering Sea

SUMMARY: A decision to submit this plan to public comment was to have been made at this meeting. However, due to the press of other business and the late arrival of the plan, the SSC postponed a review until November 28. Additionally, editorial work is needed to complete section 1-4 and the EIS.

COMMENTS: This FMP will be mailed during the first part of November.
