B8 US Navy Report on Northern Edge 2021

April 2021 Council Meeting

Action Memo

Staff: Jon McCracken

Other Presenters: John Mosher (US Navy), Andrea Balla-Holden (US Navy), and Christopher Hunt (US Navy)

BACKGROUND

John Mosher from U.S. Pacific Fleet and is the Northwest Environmental Program Manager will present an overview of Northern Edge 2021 joint training exercise, scheduled for May of 2021, in the Gulf of Alaska. The exercise is biennial dating back to 1975. The exercise provides a comprehensive and realistic training on joint interoperability tactics, techniques, and procedures.
