

D3 IFQ Program Review Workplan
Council motion
October 9, 2023

The Council approves the IFQ Program Review workplan and requests staff incorporate SSC and IFQ committee recommendations to the extent possible, in particular those specific to community level impacts.

The Council also requests staff include the following in the program review:

- Review the Council's consideration of actions to promote new entry and active participation after the previous program review (e.g., IFQ access opportunities, owner onboard provisions, and IFQ eligibility criteria)
