

C-4 Scallop SAFE report and ABC/OFL specifications
Council Motion
April 4, 2019

The Council adopts the 2019 Scallop SAFE report and sets the OFL for the 2019/20 season equal to 1.29 million pounds (585 t) of shucked meats and the ABC equal to 1.161 million pounds (527 t) of shucked meats as recommended by the Scallop Plan Team and SSC.
