MEMORANDUM

TO: Jim Branson

FROM: Wayne E. Swingle *Wayne*

SUBJECT: Review of Draft Minutes of Chairmen's Conference

We have reviewed the minutes of the Council Chairman's Conference and noted an error on page nine under subsection Page 28, Section 303(c). The motion was seconded by Bobby O'Barr, not Wayne Swingle.

According to our notes the language for the FCMA amendments varied slightly from your summary. We have attached a marked up copy for your consideration.
