The council would have staff add to the analysis comments from the ap and ssc as practicable.
 The council would pick alternative 2 as lithe preferred alternative. The vessel removal provision would be included in the preferred alternative.

The option below is not part of the PPA, but should be changed in the analysis.

Option 2.4 may not exceed the molasses specified on the LLP for the vessel to be replaced or rebuilt at the time the coast guard act was Approved(October 15, 2010).
