## **Comments and Meeting information**

Please leave comments for all agenda items here Schedule for meeting

## Options for cultural awareness training

Dr. Kate Haapala will present a discussion paper evaluating different options for cultural awareness training for the Council to consider. The committee will provide their recommendations for the Council.

#### **Review Report**

The committee will review the draft Report and identify the list of committee recommendations to submit to the Council at the February Council meeting.

#### **Revise Report**

The committee will revise and finalize the report for the Council. Specifically, the committee will draft rationale for each recommendation to the Council.
