

COUNCIL INPUT on HR1335

- SSC authority to determine erroneous rebuilding determination
- Recommend exemption from rebuilding if stock 'depleted' has no link to fishing
- Webcast/audio of SSC unnecessary?
- RE NEPA, reinstate paragraph 7, or delete entire section and rely on current process
- Support revised language for EM?
- Support Section 318 (Cooperative Research) and prioritization of EM?
- Seek clarification of intent and effect of new Section 15 (relationship of MSA, ESA, and Sanctuaries/Antiquities Act)
- Council position on Section 16 (allows NPFMC to change pollock harvest cap up to 24%)?
- Support new Section 17 – grant funding to States to support recreational fishing monitoring programs
