MEMORANDUM

DATE: December 7, 1979
TO: Council Members, Scientific & Statistical Committee
and Advisory Panel
FROM: Jim H. Branson
SUBJECT: Department of State Reports

ACTION REQUIRED

Informational.

BACKGROUND

Department of State representative Ray Arnaudo has asked for time to discuss the USSR reciprocal GIFA and the 1980 allocations.

We have also learned that Ambassador John Negroonte is leaving his post for another assignment in the State Department. He was very capable and will be missed. We should watch with interest the selection of his replacement.
