

D4 Sablefish study for IRA funding (SSC only)

April 2024 Council Meeting

Action Memo

- Council Staff: Diana Evans
- Other Presenters: Dr. Franz Mueter (SSC), Dr. Dan Holland (NOAA), Dr. Dan Goethal (AFSC)
- Action Required:
1. Receive presentations on sablefish biological and economic data and modeling
 2. Recommend scope of a potential bio-economic sablefish analysis

BACKGROUND

The SSC will have a short workshop (~2.5 hours) to scope a bio-economic analysis of sablefish that a contractor or post-doc could perform potentially using IRA funding. We will receive short presentations on biological and economic data availability and the current state of sablefish modeling (AFSC staff) and some options available for an extended analysis (Dan Holland, NOAA).
