

**E1 Staff Tasking – BS Yellowfin Sole Trawl Limited Access Offshore Participation
Council motion October 13, 2015**

Yellowfin TLAs Offshore Participation Evaluation

The Council request staff prepare a discussion paper to evaluate participation and effort in the Bering Sea yellowfin sole trawl limited access fishery in response to a potential need to limit entry in the offshore sector in that fishery. The Council further establishes a control date of October 13, 2015 for any action considering future participation in the offshore sector of this fishery.
