TO APPOINTMENT TO THE
ADVISORY PANEL.

Date of Birth June 14, 1930

Place of Birth Cordova, Alaska

United States Citizen

Place of residence Anchorage, Alaska

Experience of value to the North Pacific Fishery Management
Council:

Served 6 years in the Alaska State Legislature always
with heavy emphasis on resource committee assignments
since I was representing the Kodiak district.

Served nearly two years as Business Manager of the Alaska
Shrimp Trawlers Association in Kodiak. Work included
promotion of shrimp, lobbying all levels of government,
negotiation of ex-vessel price of shrimp and seeking
alternate markets for shrimp fishermen.

Two years involvement in Korean-American bottomfish
joint venture.

Since Congress wrote specific legislation to provide for joint
venture operations, they will be a significant part of the
fisheries within the Fishery Conservation Zone off Alaska for
at least the next decade. I believe that my experience in
joint venture legislation and operations could be useful to
the Council.
