Dear Mr. Oliver:

This letter is to inform you of changes to the U.S. Fish and Wildlife Service (Service) representation on the North Pacific Fishery Management Council (Council). Mr. Doug McBride, our past alternate representative, has moved to a new position within the Alaska Regional Office and will therefore not be able to continue his functions on the Council. Mr. Aaron Martin, our Regional Fish and Aquatic Conservation Program Coordinator, will serve as my alternate representative on the Council beginning at the December 2015 meetings. Mr. Don Rivard, with our Office of Subsistence Management, will continue to occasionally represent the Service for specific agenda items important to federal subsistence fisheries management.

Please contact Mr. Aaron Martin at (907) 786-3510 or by email at [aaron\\_e\\_martin@fws.gov](mailto:aaron_e_martin@fws.gov) with any questions or concerns.

Sincerely,

Regional Director
