

APPOINT NEW ADVISORY PANEL MEMBERS

Six nominations have been received by the Advisory Panel Subcommittee for the vacancies created by the resignation of Mr. Burke and Mr. Gage. They are:

1. Professor John Jacobson, Professor of International Law at the University of Oregon.
2. Don Rawlinson, Peter Pan Fisheries
3. Ed Hammilton, Safeway Company
4. Steve Burgess, Calista Corporation
5. Roy Rickey, fisheries consultant
6. Dave Woodruff, processing industry, Kodiak

All of the nominees have been contacted by the subcommittee chairman, all said they would serve. However, Mr. Hammilton of the Safeway Company said he would not be able to serve unless the Council could send a letter to his parent corporation, Safeway, assuring them that there would be no other member of the Advisory Panel in the same professional capacity.

That is, a large buyer for a retail outlet. Safeway apparently has had problems in the past with accusations of price fixing.
