

Congressional Activities Report for the Council Coordination Committee

Submitted to the New England Fishery Management Council

May 31, 2017

Overview of Work Provided:

- Provided information on Congressional activities of interest to the Regional Fishery Management Councils (see below for updates on, and links to, House and Senate Magnuson-related hearings or other hearings of interest)
- Monitored Congressional hearing and markup schedules related to fisheries management, international fisheries, or other issues of interest to the Regional Fishery Management Councils
- Provided notice of legislation of interest moving through the House, Senate, or to the President
- Provided Regional Fishery Management Councils' meeting schedule information to House and Senate staff for consideration in the scheduling of Congressional activities related to the Magnuson-Stevens Act reauthorization or other fisheries issues of interest to the Councils
- Met with Congressional staff to discuss upcoming activities, hearings and legislation
- Provided Council information to appropriate Congressional staff on fisheries issues of interest

Upcoming Magnuson-Stevens Act Hearings:

No Magnuson-Stevens Act reauthorization hearings have been scheduled at this time; however, the Senate Commerce, Science and Transportation Committee's Subcommittee on Oceans, Atmosphere, Fisheries, and Coast Guard is planning a hearing related to the National Marine Sanctuaries Program. This hearing could touch on the issue of conflicts between the National Marine Sanctuaries Act and the Magnuson-Stevens Fishery Conservation and Management Act.

In addition, the Senate Commerce, Science and Transportation Committee is currently developing a plan for a series of MSA reauthorization hearings.
