Dear Council Members:

The Alaska Section of NOAA General Counsel has examined the Council's April 2021 draft agenda for recusal issues. None of the agenda items constitutes a "Council decision" as that term is defined in regulations at 50 C.F.R. § 600.235(a). Therefore, no recusal determinations are required.

Please contact me if you have any questions or would like more information.

Thank you.

Demian
