

B6 NPFMC ADF&G REPORT

KENDALL HENRY, JUNE 2020

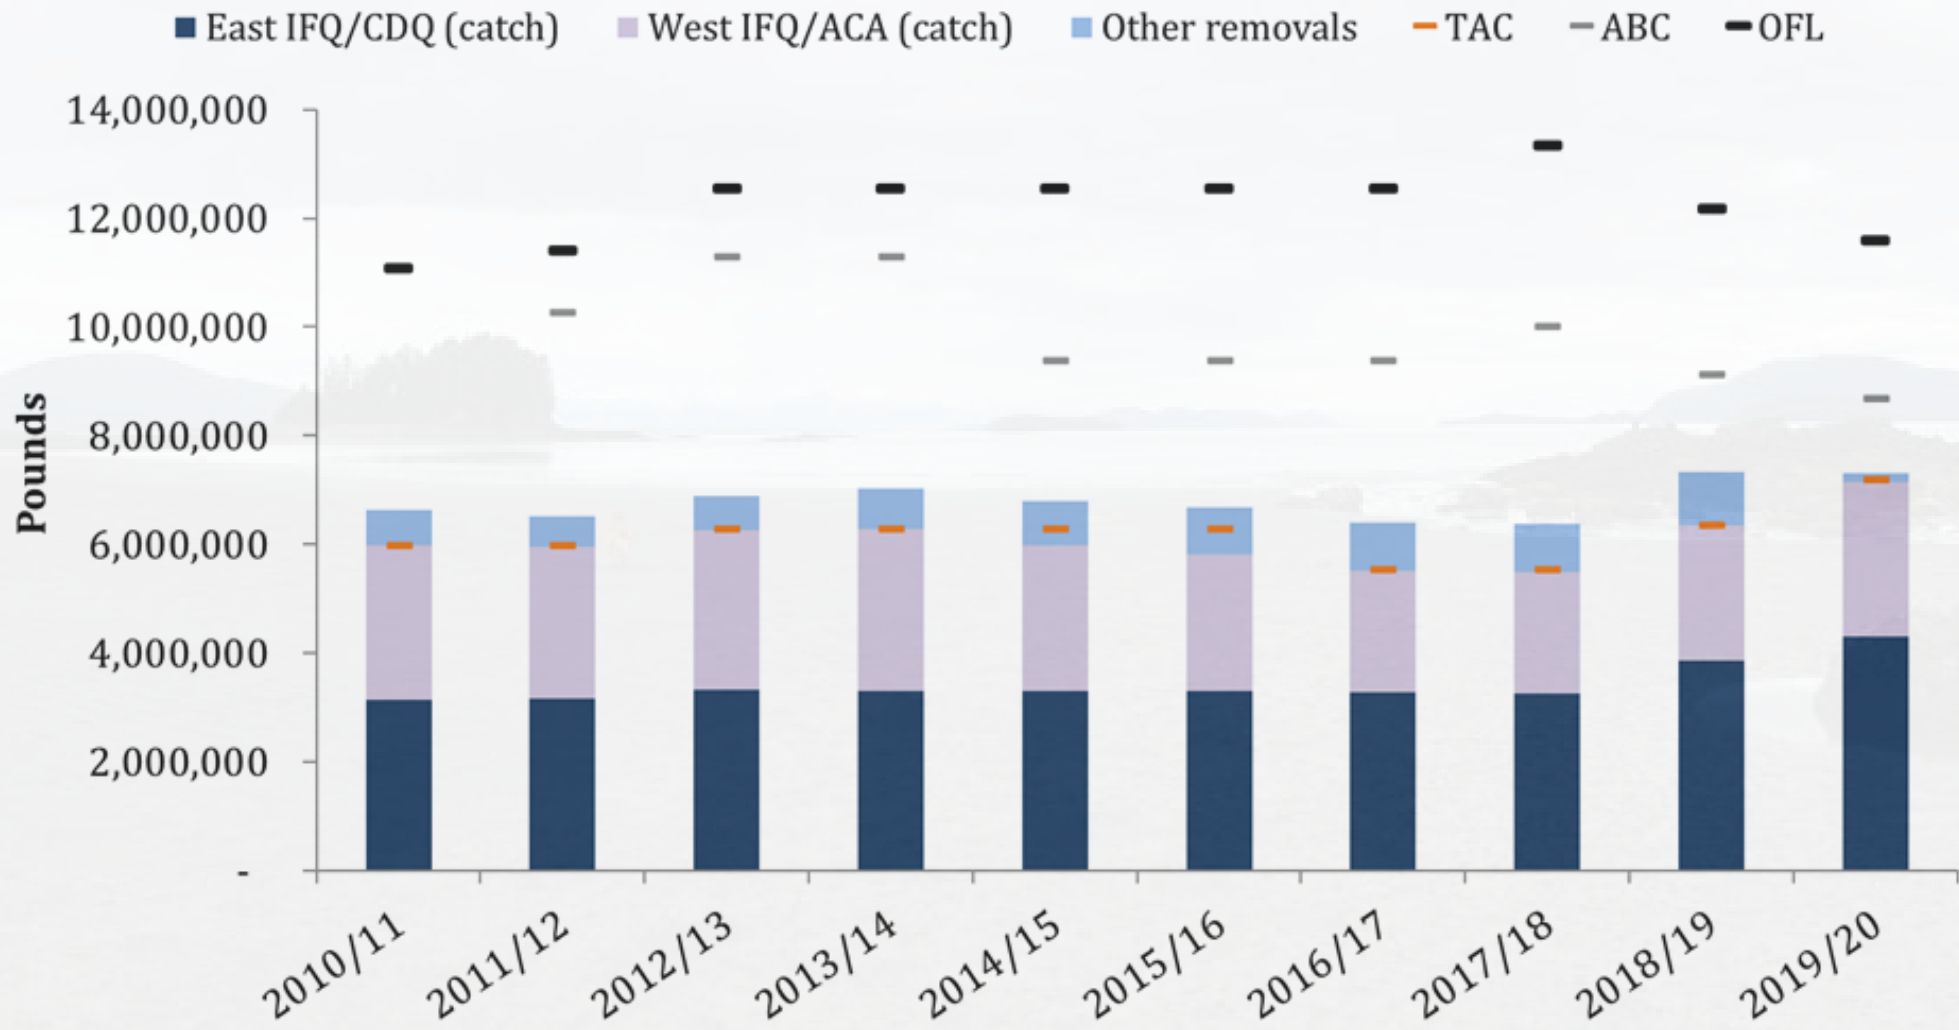

CORONAVIRUS RESPONSE

- All necessary state research and management infrastructure is in place to manage state and cooperative state/federal fisheries this year.
- ADF&G has developed action plans to mitigate the spread of COVID-19 for the current field season.
- The State of Alaska has instituted health mandates and measures to keep communities and individuals in the fishing industry safe while still providing the opportunity to harvest fish.
