SUBJECT: Council Subgroup Membership

ACTION REQUIRED

Review and change as necessary Council memberships on FMP subgroups and various other working groups.

BACKGROUND

With the selection of Keith Specking to Council membership, the Council's working groups need updating. Enclosed under this agenda item is a list of the Council's working groups and FMP subgroups. ADF&G has indicated they wish to maintain their current representation on the various workgroups with possible exception of the Foreign Permit Review Committee. Jeff Stephan would like his name added to the workgroups on Policy and Planning, Board/ Council Coordination, and Incidental Species Policy.
