

NPFMC Meeting COVID Policy

If you are considered at high risk for COVID-19, we strongly urge you to consider whether participation is safe and appropriate. The Council cannot assume liability or risk in regards to contracting COVID-19 at Council events. Attendance is at your own risk.

- Masks and social distancing are encouraged, per [CDC guidelines](#).
- Sanitize and wash hands often.
- Stay home and attend remotely if you or a household member are feeling ill.

- If you are experiencing symptoms, please test immediately and participate remotely.
- Visit www.cdc.gov for free testing locations
- Or purchase over-the-counter tests from retail locations like Safeway, Alaska Commercial, or Harry's Pharmacy.
- A limited number of tests are available on hand for members, check with staff.

- Notify the Council of any positive test results immediately by emailing npfmc.admin@noaa.gov.
- Anyone who tests positive should follow the [CDC guidelines for post-infection](#).
- If a positive infection is confirmed, an announcement will be posted on the meeting room door.
- We will never disclose your personal information.
