

D2 Bering Sea FEP Climate Change Task Force

December 2023

Action Memo

Council Staff: Dr. Diana Stram
Other Presenters: Dr. Kirstin Holsman (AFSC)
Action Required:

1. Review CCTF report and staff comments on workshop logistics
2. Provide direction for 2024 Climate Scenario Planning Workshop

BACKGROUND

The Climate Change Task Force (CCTF) held their fall meeting November 1-2, 2023. The primary goal of the meeting was to begin development for the forthcoming Climate Scenario planning workshop in 2024. Recommendations are detailed in the attached report and a link is posted for the CCTF eAgenda containing all of the presentations from the meeting. The CCTF seeks guidance on the proposed timing and format for the workshop. Following the presentation of the CCTF report, Council staff will provide some additional planning feedback from internal staff discussions on suggested logistics and timing of the workshop in 2024.
