ESP Discussion Points

1) **ESP Timeline** (*Proposed Revision*)
- Request for Indicators in January/February
- Modeling updates in May (BAS/new ecosystem models in prep)
- Condensed report cards in September

2) **ESP Prioritization**
- Tanner crab ESP in May 2025?
- Drop SMBKC ESP? Or re-visit when necessary?

3) **ESP Internal Review**
- Recruit SAP and ADF&G subject matter experts for RFI indicator submission and September internal ESP review?

4) **Others:**
- Importance methods script moved to github repository to standardize approach & best practices across groundfish/crab ESPs
- Socioeconomic indicator development (December '23 Council motion)
