2 interests; and

3 WHEREAS it has been stated in testimony and not denied by the Council
4 that these resources can be efficiently harvested and processed by present

11 undermined by the actions of the North Pacific Fishery Management Council;

12 BE IT RESOLVED that the Alaska State Legislature respectfully requests
13 Congress to take immediate action to hold in abeyance all recommendations by
14 the North Pacific Fishery Management Council and any policy decisions by the
