Technical instructions

- **Audio:** SSPT members please connect your audio via a "dial out" option which links the audio through your phone. This should allow for a higher quality connection and allow you to control your mute/ unmute easily via your phone. Please begin with your phone on mute.
- **Names:** SSPT members please sign in with 001 - followed by your full name. You can change your name by clicking on the top right-hand corner in the "Attendees" box and clicking "edit my info".
- **Hand-raising:** We will be using the "hand-raise" feature to facilitate discussion. To raise your hand, click on the icon of the person with a raised hand in the top bar. To lower hand use the drop down menu next to the person icon.
- **Video:** we will not be using video for this meeting.
- **Support:** If you have any questions and need technical support, please contact our admin staff the the "technical support" chat box or npfmc.admin@noaa.gov

Objectives:

1. Discuss EDR Workshop and Report
