November 21, 2024

**MEMORANDUM FOR:** Council Members  
North Pacific Fishery Management Council

**FROM:** Demian A. Schane  
Chief, Alaska Section  
NOAA Office of General Counsel

**SUBJECT:** Recusal Determinations for the December 2024 Council Meeting

NOAA General Counsel, Alaska Section has reviewed the North Pacific Fishery Management Council's December 2024 agenda for recusal issues.

Under 50 C.F.R. § 600.225(b)(9)(ii), none of the agenda items for the December 2024 meeting constitutes a "particular matter primarily of individual concern," and none of the Council members is recused from participating on any agenda item under that regulation.

Under 50 C.F.R. § 600.235, none of the following agenda items constitutes a "Council decision" as that term is defined at 50 C.F.R. § 600.235(a); therefore, a recusal determination is not required for any of them:

- C1: BSAI Groundfish - Final Harvest Specifications;
- C2: GOA Groundfish - Final Harvest Specifications;
- C3: BSAI Crab Specifications; and
- C4: BSAI Crab Charter Halibut Annual Management Measures.

According to the regulations at 50 C.F.R. § 600.235(g), any Council member may file a written request to NOAA General Counsel for a review of this determination. Requests for review should be e-mailed to Kristen Gustafson, Deputy General Counsel, NOAA Office of the General Counsel at [Kristen.L.Gustafson@noaa.gov](mailto:Kristen.L.Gustafson@noaa.gov). A request for review must be received by Ms. Gustafson by December 2, 2023. Please see the regulations at 50 C.F.R. § 600.235(g) for more information on requests for review.
