

Joint Groundfish Plan
Teams

September 17, 2024

Sara Cleaver (NPFMC staff)

LOGISTICS & COUNCIL UPDATES

Plan Team roles and responsibilities

- New PT members and/or vacancies
- Conduct- be considerate, respectful, and collaborative
 - Standards of conduct in PT handbook
 - Communicate openly: Discussions about agenda items should be public
- eAgenda for all documents and presentations (REFRESH YOUR eAgendas!)
- **Google drive (September 2024 GF Plan Team Meeting)** for draft PT report, assignments, roles of rapporteur and facilitator, report writing guidelines
- Harvest Projections being reviewed/finalized at **this** meeting, October SSC
 - Saves time in November!

Guidelines for Plan Team Report

- Link in Google drive: [Guidance on Writing the Plan Team Report](#)
- Generally, short summary of PT discussion.
 - If informational and no recommendations, summary and link to ppt will suffice
 - If extensive PT discussion and/or recommendations, characterize discussion and **bold** any consensus recommendations
 - Please insert sections to google doc as soon as possible after your respective agenda item (and after conferring with facilitator and/or author as needed)
 - Be clear about models recommended for management (to be brought forward in Nov.) vs recommendations on model explorations (research models)
 - Items with a PT recommendation will be presented to the SSC in October
- Deadlines for compiling Plan Team Report- drafted by COB Friday, will be editing through Monday (deadline for revised documents from stock authors also COB Friday)

Council updates, priorities and short-term action items

- Research priorities selected and will be forwarded on to OS&T, academic institutions, others
- Council three-meeting outlook
- Harvest specifications: October (proposed) and December (final)
- Climate Change Task Force (CCTF)
 - final meeting Nov 6-7, 2024 Juneau; Council December 2024
- Chum salmon bycatch in EBS pollock fishery
 - February 2025 Council mtg
- Monitoring committee meetings- Sept 2024
- Climate Scenarios Workshop report (from June 2024)- linked in eAgenda
 - Report to Council October 2024- Katie Latanich
- SCS8 proceedings: Applying ABC control rules in a changing environment
 - Report to Council October 2024

Future Meeting Scheduling

- **Nov 12-15, 2024:** In person/hybrid mtng
 - **Book rooms ASAP!** (PT members check email for room block flyer)

Tentative 2025 dates:

- September: 15-18? 16-19? In person/hybrid
 - Crab PT Sept 8-12
- November: 17-21? In person/hybrid.
