eAgenda: <https://meetings.npfmc.org/Meeting/Details/7155>

Monday, October 5

1:00 pm: Introductions

- Welcome participants, convene meeting, reminders

1:30 - 3:00 pm: Council communications, focusing on Harvest Control Rule flyer

- HCR communications update: Dr. Diana Stram, Council staff
- Committee discussion and recommendations
- Discussion of other communication needs: Are there other topics (e.g. substantive topics, Council process questions) for which plain language communications would be valuable? In what format?

BREAK

3:00 - 4:30 pm: Groundfish Management Policy Review revisions

- Comprehensive review of Groundfish Management Policy language, including Ecosystem Committee recommendations from May 2026 meeting. Identify goals and/or objectives for further discussion and potential revisions.
- Discuss revisions to Goals 3 and 8

Public comment

Tuesday, October 6

8:30 am - 11:30 am: Groundfish Management Policy Review revisions, continued

- Reconvene and identify Day 2 priorities
- Continue discussion of potential revisions and wording suggestions
- Finalize Ecosystem Committee recommendations

11:30 am - 12:00 pm: Wrap up

- EC member updates (e.g., participation in other groups, upcoming events, other items of interest to the group)
- EC meeting report
