

Participant List

This is a preliminary list of workshop participants; a final list will be included in the workshop report. In-person participation is based on the workshop registration form and does not include participants who attended but did not register. Please contact katie.latanich@noaa.gov if you participated in the meeting in person and would like to be included in the final participation list.

The list of virtual attendees is based on Zoom participation.

In person participants

Council members and designees

Rachel Baker
