Re: CDQ Program

To whom this may concern:

I am writing a letter to the Board of Directors and our Senators in Washington D.C. to expand the CDQ Program, 100 miles inland so inland villages can benefit off of the CDQ Program.

Again, when first started we supported and was part of the process to receive CDQ Funding.

Lisa Murkowski, Dan Sullivan and Don Young please expand the CDQ Program as our inland villages can benefit off of the CDQ Dollars.

Sincerely,

Herman F. Nelson Sr.
New Koliganek Village Council President
