Dear Council Members:

NOAA General Counsel's Alaska Section has examined the Council's June 2021 draft agenda for recusal issues. None of the agenda items constitutes a "Council decision" as that term is defined in regulations at 50 C.F.R. § 600.235(a). Therefore, no recusal determinations are required.

Please contact me if you have any questions or would like more information.

Thank you,

Demian
