

Council Motion on a Cook Inlet EEZ Area tribal salmon fishery

E - Staff Tasking substitute motion

April 7, 2025

The Council requests a discussion paper to inform potential alternatives and options for establishing a tribal salmon fishery in the Cook Inlet EEZ Area. The discussion paper should focus on Magnuson Stevens Act and Alaska Native Claims Settlement Act authority related to eligibility for participation in the fishery and entities eligible to issue permits to allow participation relative to the Tikahtnu Inter-Tribal Fish Commission's letter to the Council, dated March 25, 2025.
