### Workshop Materials:

Links to workshop materials: [FEP doc](#), Indicator spreadsheet folder

### Workshop Goals:

- ★ Discuss EHRC - what is the [goal](#)? Who is the audience?
- ★ Discuss indicators relative to FEP objectives
- ★ Breakouts for indicator selection

**Agenda:**

In the following agenda, times are listed for each topic. The values in parentheses following the topic title are the estimated time for presentation followed by time for questions and/or discussion relating to the topic (e.g., (5/5) means five minutes presenting, five minutes questions/discussion).

10:00 am start (Pacific Daylight Time) - Welcome and outlining of workshop goals - Diana, Kerim (10/5)

10:15 am - FEP team discussion - led by Kerim Aydin, Ebett Siddon, Andy Whitehouse

- What is the goal of the EHRC? (15/5)
- Who is the target audience? (10/5)
- Based on above topics, what should this be called? (10/5)
- Report timeline and format (15/5)
- Discuss simulated/theoretical indicators versus measured, example data. (15/5)

12:00 - LUNCH BREAK

1:00 pm - breakout sessions by FEP objective suites

During this time, small groups will discuss potential indicators to address the 17 FEP objectives (~3-4 objectives per group). The task of the breakout groups are to discuss potential versus available data sources and timeseries and make a recommendation of the 'ideal' indicator for each Objective.

3:00 pm - return to large group to discuss overall status of Ecosystem Health Report Card and next steps for May 24/25

Wrap up 4pm
