Said report shall include, but not be limited to, an assessment of the following:

(1) the degree and extent of violations of the provisions of this Act by foreign and domestic fishing vessels and enforcement action taken in each instance of reported violation;

(2) estimates of the overall effectiveness of the enforcement activities of the provisions of this Act as applied to the foreign and domestic fishing fleet;

(3) identification of factors which occurred during the period which enhanced or impeded enforcement activities under the Act;

(4) recommendations to reduce or eliminate any impediments to effective enforcement which may exist;

(5) evaluation of current and estimation of future adequacy of personnel, equipment, and facilities at the disposal of the Secretaries to enforce the provisions of the Act; and

(6) evaluation of the utilization of the personnel, equipment, services and facilities of other federal agencies as authorized by the Act.
