
ADVISORY PANEL E1 MOTIONS

DECEMBER 2022

E1 STAFF TASKING

Motion 1

The AP recommends the *council ask staff to* revise the small sablefish release document to include, as appropriate, the analysis provided by Dr. Knuckey and the added uncertainty associated with allowing the release of small sablefish in the context of existing uncertainty in the stock assessment process.

Motion passed 14-0

E1 STAFF TASKING

Motion 2

The AP recommends that the council prioritize the analysis of the regulation for the c-share participation requirements that was passed as an emergency rule and will expire before the next IFQ issuance, at which time many crew may lose their QS.

Motion passed 16-0

E1 STAFF TASKING

Motion 3

The AP recommends the council ask staff to initiate a discussion paper exploring the removals, and impacts of Halibut mortality in IPHC areas 2C & 3A in the unguided rental boat sector.

Motion passed 16-0

E1 STAFF TASKING

Motion 4

Move to approve the AP minutes from the October 2022 Meeting.

Motion passed 16-0
