## **Executive Director's Report**

We have a long meeting scheduled this week and you have received a number of heavy duty reports, all in the past few weeks or days. I'm sorry that they all seemed to show up on your doorstep at the eleventh hour, but the Council and agency staffs have been burning the late night oil to produce them. Here are the real work horses for the activities since January; I think they deserve some recognition:

## Meeting schedule for 1994-1995

Believe it or not it's almost 1994 and we need to set the schedule for 1994 and 1995 so the hotels do not fill up without us. Here are the tentative dates:

	<u>1994</u>	<u>1995</u>
Week of	January 10	January 9
	April 19	April 17
	June 20	June 19
	September 19	September 18
	December 5	December 4

We can meet out-of-town and out-of-state. Our out-of-town meetings for 1992 and 1993 will include Sitka this June and Kodiak next June, and another, as yet to be determined, place this summer if we hold a special meeting. Our out-of-state meetings included Portland this past January, and we're scheduled for Seattle in December 1993. A calendar for 1994 and 1995 is provided under item B-1(a).

## **Advisory Panel Officers**

The AP delayed until this meeting to elect officers. The Council needs to confirm the AP Chairman and Vice-Chairman for 1992.

## A Solemn Note

I want to note the passing of Jackie Lindauer on April 13 after a long battle with cancer. She was editor and publisher of the *Alaska Commercial Fisherman*. This has been, and I hope will continue to be, an excellent newspaper for reporting fishing news from throughout Alaska and on many of the issues being addressed by the Council. Jackie routinely attended our meetings and reported their results accurately and evenly. She was a good friend of the Council and mine, and I'm going to miss her.
