D-2 Local Knowledge, Traditional Knowledge, and Subsistence Taskforce report

April 10, 2023

The Council supports and commends the work of the Local Knowledge, Traditional Knowledge, and Subsistence (LKTGS) Taskforce. The Council approves releasing the draft LKTGS Protocol and associated on-ramp recommendations from the LKTGS Taskforce for a 50-day public review period.

The Council approves an additional LKTGS Taskforce meeting to review Council analytical staff input, the SSC and Council's April input, and the public comments received from the 50-day review period, and to recommend any modifications for final review by the Council. At final review, the Council also requests information about additional capacity and resources that may be needed for successful implementation of specific onramps.
