ADVISORY PANEL WRITTEN REPORT

2/13/77

North Pacific Fishery Management Council, Advisory Panel Report.

The Advisory Panel respectfully submits the following resolution: that the NPFC urge the government of the U.S. take immediate action to inform the government of Canada of the U.S. Government's intention to abrogate the existing International Halibut Fishery Convention now in effect with Canada.

Mr. Bob Alverson, an advisory, dissented in this vote by the Panel. He requests an opportunity to be heard by the Council concerning his minority view of this resolution.

Further, the Panel requests permission from the Chair to be included in the floor discussions by the Council should the Council move to consider the above resolution.
