Re: Request for appointment of PNCIAC non-voting member

Mr. Hall,

I would like to request the appointment of Tyson Flick to PNCIAC to be the non-voting secretary for PNCIAC, Ruth Christiansen the current non-voting secretary is no longer employed in the crab fishery. Tyson Flick is the executive director of the Alaska Bering Sea Crabbers and is very informed of crab fishery operations and would be a good addition to the committee.

Regards,

Lance Farr, Chairman  
PNCIAC
