

Council motion

C5 Motion - Trawl EM Committee Report

October 14, 2020

The Council expresses its support for extension of the EFP for the development of EM for the pollock trawl fishery in the CGOA, WGOA and BSAI through 2022, and requests NMFS to determine the best approach for accomplishing that. The Council supports the trawl EM Committee recommendations for changes to the EFP for 2021.
