

Background

On August 1, 2012, pursuant to section 751(c) of the Tariff Act of 1930, as amended ("the Act"), the Department initiated the first sunset review of the suspended antidumping duty investigation on lemon juice from Mexico.¹ On August 1, 2012, pursuant to section 752 of the Act, the ITC instituted the first sunset review of the suspended antidumping duty investigation on lemon juice from Mexico.² As a result of its review, on June 28, 2013, the Department found that termination of the suspended antidumping duty investigation on lemon juice from Mexico would likely lead to continuation or recurrence of dumping.³ The Department thus notified the ITC of the magnitude of the margins of dumping rates likely to prevail if the suspended investigation were terminated.

On August 1, 2013, the ITC published its determination, pursuant to section 751(c) of the Act, that termination of the antidumping duty suspended investigation on lemon juice from Mexico would not be likely to lead to the continuation or recurrence of material injury within a reasonably foreseeable time.⁴

Therefore, pursuant to section 351.222(i)(1)(iii) of the Department's regulations, the Department is publishing this notice of the termination of the suspended antidumping duty investigation on lemon juice from Mexico.

Scope of the Suspended Investigation

The merchandise covered by the suspended investigation includes certain lemon juice for further manufacture, with or without addition of preservatives, sugar, or other sweeteners, regardless of the GPL (grams per liter of citric acid) level of concentration, brix level, brix/acid ratio, pulp content, clarity, grade, horticulture method (e.g., organic or not), processed form (e.g., frozen or not-from-concentrate), FDA standard of identity, the size of the container in which packed, or the method of packing.

Excluded from the scope are: (1) lemon juice at any level of concentration packed in retail-sized

containers ready for sale to consumers, typically at a level of concentration of 48 GPL; and (2) beverage products such as lemonade that typically contain 20% or less lemon juice as an ingredient.

Lemon juice is classifiable under subheadings 2009.39.6020, 2009.31.6020, 2009.31.4000, 2009.31.6040, and 2009.39.6040 of the Harmonized Tariff Schedule of the United States (HTSUS). While HTSUS subheadings are provided for convenience and customs purposes, our written description of the scope of this suspended investigation is dispositive.

Termination

As a result of the determination by the ITC that termination of the suspended antidumping duty investigation would not be likely to lead to continuation or recurrence of material injury to an industry in the United States, pursuant to section 751(d)(2) of the Act, the Department is terminating the suspended antidumping duty investigation on lemon juice from Mexico. Pursuant to section 751(d)(2) of the Act and 19 CFR 351.222(i)(2)(i), the effective date of termination is September 21, 2012 (i.e., the fifth anniversary of the effective date of publication in the Federal Register of the notice of suspension of investigation).⁵ Because the Department is terminating the suspended antidumping duty investigation, the Agreement will also terminate, effective September 21, 2012.

Administrative Protective Order

This notice also serves as the only reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the return/destruction or conversion to judicial protective order of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Failure to comply is a violation of the APO which may be subject to sanctions. These five-year (sunset) reviews and notice are in accordance with section 751(d)(2) the Act and published pursuant to section 777(i)(1) of the Act.

I. Abstract

This request is for revision and extension of a current information collection).

The Magnuson-Stevens Fishery Conservation and Management Act (Magnuson Stevens Act) authorizes the establishment of Regional Fishery Management Councils to exercise sound judgment in the stewardship of fishery resources through the preparation, monitoring, and revision of such fishery management plans under circumstances (a) which will enable the States, the fishing industry, consumers, environmental organizations, and other interested persons to participate in the development of such plans, and (b) which take into account the social and economic needs of fishermen and dependent communities.

Section 302(j) of the Magnuson-Stevens Act requires that Council members appointed by the Secretary, Scientific and Statistical Committee (SSC) members appointed by a Council under Section 302(g)(1), or individuals nominated by the Governor of a State for

possible appointment as a Council member, disclose their financial interest in any Council fishery. These interests include harvesting, processing, lobbying, advocacy, or marketing activity that is being, or will be, undertaken within any fishery over which the Council concerned has jurisdiction, or with respect to an individual or organization with a financial interest in such activity. The authority to require this information and reporting and filing requirements has not changed.

The Secretary is required to submit an annual report to Congress on action taken by the Secretary and the Councils to implement the disclosure of financial interest and recusal requirements, including identification of any conflict of interest problems with respect to the Councils and SSCs and recommendations for addressing any such problems.

The Act further provides that a member shall not vote on a Council decision that would have a significant and predictable effect on a financial interest if there is a close causal link between the Council decision and an expected and substantially disproportionate benefit to the financial interest of the affected individual relative to the financial interest of other participants in the same gear type or sector of the fishery. However, an affected individual who is declared ineligible to vote on a Council action may participate in Council deliberations relating to the decision after notifying the Council of his/her recusal and identifying the financial interest that would be affected.

AGENDA B-1(b)
OCTOBER 2013

Authority to Require this Information

Section 302(j) of the Magnuson-Stevens Fishery Conservation and Management Act (Magnuson-Stevens Act) and the financial disclosure regulations at 50 C.F.R. 600.235 require that "affected individuals" must meet certain financial disclosure requirements. In Section 302(j)(1) of the Magnuson-Stevens Act, the term "affected individual" means an individual who is nominated by the governor of a state for appointment as a voting member of a Council in accordance with Section 302(b)(2); or who is a voting member of a Council appointed in accordance with Section 302(b)(2); or Section 302(b)(5) who is not subject to disclosure and recusal requirements under the laws of an Indian tribal government. The reauthorization of the Magnuson-Stevens Act, at Section 302(g)(1)(D) also requires that each member of an SSC be treated as an "affected individual," but only for the purposes of paragraphs (2), (3)(B), (4), and (5)(A) of Section (302)(j).

Financial interest in harvesting, processing, lobbying, advocacy or marketing (1) includes:

- (i) Stock, equity, or other ownership interests in, or employment with, any company, business, fishing vessel, or other entity or employment with any entity that has any percentage ownership in or by another entity engaging in any harvesting, processing, lobbying, advocacy, or marketing activity in any fishery under the jurisdiction of the Council concerned;
- (ii) Stock, equity, or other ownership interests in, or employment with, any company or other entity or employment with any entity that has any percentage ownership in or by another entity that provides equipment or other services essential to harvesting, processing, lobbying, advocacy, or marketing activities in any fishery under the jurisdiction of the Council concerned, such as a chandler or a dock operation.
- (iii) Employment with, or service as an officer, director, or trustee of, an association whose members include companies, vessels, or other entities engaged in any harvesting, processing, lobbying, advocacy, or marketing activities, or companies or other entities providing services essential to harvesting, processing, lobbying, advocacy, or marketing activities in any fishery under the jurisdiction of the Council concerned; and
- (iv) Employment with an entity that has any percentage ownership in or by another entity providing consulting, legal, or representational services to any entity engaging in, or providing equipment or services essential to, harvesting, processing, lobbying, advocacy, or marketing activities in any fishery under the jurisdiction of the Council concerned, or to any association whose members include entities engaged in the activities described in paragraphs (1) (i) and (ii) of this definition.

Reporting and Filing Requirements

The Magnuson-Stevens Act requires the disclosure of any financial interest in harvesting, processing, lobbying, advocacy, or marketing activity that is being, or will be undertaken within any fishery over which the Council concerned has jurisdiction. An affected individual must disclose such financial interest held by that individual; the affected individual's spouse, minor child, partner; or any organization (other than the Council) in which that individual is serving as an officer, director, trustee, partner, or employee. The information required to be reported must be disclosed on NOAA Form 88-195, or such other form as the Secretary may prescribe. The Financial Interest Form must be filed by each nominee for Secretarial appointment with the Assistant Administrator by April 15 or, if nominated after March 15, 1 month after nomination by the Governor. A seated voting member appointed by the Secretary must file a Financial Interest Form with the Executive Director of the appropriate Council within 45 days of taking office; must file an update of his or her statement with the Executive Director of the appropriate Council within 30 days of the time any such financial interest is acquired or substantially changed by the affected individual or the affected individual's spouse, minor child, or partner, or any organization (other than the Council) in which that individual is serving as an officer, director, trustee, partner, or employee; and must update his or her form annually and file that update with the Executive Director of the appropriate Council by February 1 of each year regardless of whether any information has changed on that form. The Executive Director must in a timely manner, provide copies of and updates to the Financial Interest Forms of appointed Council members to the NMFS Regional Administrator, the Regional Attorney who advises the Council, and the NMFS' Office of Sustainable Fisheries. These completed financial interest forms shall be kept on file in the Office of the NMFS Regional Administrator and at the Council offices, and shall be made available for public inspection at such offices during normal office hours. In addition, the forms shall be made available at each Council meeting or hearing and shall be posted for download from the Internet on the Council's website. Councils must retain the Financial Interest Form for a Council member for at least 5 years after the expiration of that individual's last term.

An individual being considered for appointment to an SSC must file the Financial Interest Form with the Regional Administrator for the geographic area concerned within 45 days prior to appointment. A member of the SSC must file an update of his or her statement with the Regional Administrator for the geographic area concerned within 30 days of the time any such financial interest is acquired or substantially changed by the SSC member or the SSC member's spouse, minor child, partner, or any organization (other than the Council) in which that individual is serving as an officer, director, trustee, partner, or employee; and must update his or her form annually and file that update with the Regional Administrator by February 1 of each year. The Regional Administrator shall maintain on file the Financial Interest Forms of all SSC members for at least 5 years after the expiration of that individual's term on the SSC. Such forms are not subject to section 302(j)(5)(B) and C of the Magnuson-Stevens Act.
