Dear Harold:

This letter is to confirm the earlier request by telephone from my office that your Council designate two representatives to serve as members of the Pacific Panel of the United States-Canada Consultative Committee which is established under the provisions of the 1978 Interim Reciprocal Fisheries Agreement.

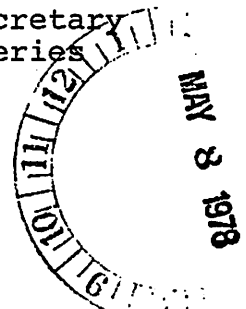

Enclosed is a preliminary list of the U.S. panel members designated for both the Atlantic and Pacific coasts. The U.S. panel will be chaired by a NMFS officer at all committee meetings. As you will note, alternates have been named for U.S. panel members. To the extent possible, however, the regular members should attend committee sessions for the sake of continuity.

If you need further information regarding the committee, or if there are changes in either panel members or their alternates, please contact either Jim Storer or Doug Marshall in this office.

Sincerely,

John D. Negroponte
Deputy Assistant Secretary
for Oceans and Fisheries
Affairs
