

**Council Motion**  
**C11 AI Pacific Cod Council**  
**October 2014**

The Council requests another review draft of the AI Pacific cod directed fishing allowance and delivery requirement including the following two options:

Option 1 – If less than 1,000 mt of the AI Pacific cod directed fishing allowance has been landed by February 28<sup>th</sup> the restriction on delivery to other processors shall be suspended for the remainder of the year.

Option 2 – If prior to (options: November 1 or January 20) of each year, neither the community of Adak or community of Atka has notified NMFS of the intent of a local processor to process Pacific cod in the upcoming season, the AI shoreplant delivery requirement for the year is suspend.

Shoreplant is defined as a processing facility physically located on land.

The revised review draft will incorporate and respond to the SSC comments on pages 26 to 28 of the SSC minutes.
