December, 1979

MEMORANDUM

DATE: December 6, 1979

TO: Council Members, Scientific & Statistical Committee and  
Advisory Panel

FROM: Jim H. Branson

SUBJECT: Contract 78-5, ASSESSMENT OF SPAWNING HERRING STOCKS AT  
SELECTED COASTAL AREAS IN THE EASTERN BERING SEA . . . Draft  
Final Completion Report

ACTION REQUIRED

*Informational*

BACKGROUND

A draft of the final report was submitted to the SSC for their review at their last meeting. We will forward their comments to the authors of the report and expect the final report to be received and approved by the Council at the next meeting.

All aspects of this contract are on schedule: no particular problems.

A limited number of the draft final reports are available. If you want a copy let us know.
