RENAISSANCE SEATTLE INTERNET INFORMATION

For a wireless connection during the Council meeting, use these instructions:

1. Make sure all browsers and e-mail programs are closed
2. Make sure a wireless signal is available and your computer's wireless is on
3. Connect to the SSID (Network Name): "Renaissance_Conference"
4. Start your Web Browser. The login page will open automatically, if not, go to www.yahoo.com in your browser window and you will be redirected to the login page.
5. Enter "**Fish2018**" in the password in the box marked Access Code: Click "Connect".
You're online!

Note: If you have signed into the internet in your room, that connection should carry through throughout the hotel and you shouldn't have to connect to "Renaissance_Conference."

For Further technical issues please contact Renaissance onsite staff by dialing 0 on any house phone or 206-583-0300 from your mobile and ask the operator to page AV.
