E-agenda at <http://meetings.npfmc.org/Meeting/Details/1847>

1. Introductions and Council update

Committee chair Kinneen will provide an update on Council issues, including a motion from the AP expressing support for the CEC activities.

2. Options for Cultural Awareness Training

Dr. Kate Haapala will present a discussion paper evaluating different options for cultural awareness training for the Council to consider. The committee will provide their recommendations for the Council.

3. Review of draft report

The committee will review the background sections of the draft report and provide recommendations and comments for the final draft.

4. Prioritize recommendations

The committee will prioritize recommendations for the final report that the Council may consider to improve engagement with rural and Alaska Native communities. The committee will develop a prioritized list and rationale for each recommendation for inclusion in the final report.

5. Wrap up

Opportunities for public comment will be provided at the committee chair's discretion. Written public testimony can be submitted by emailing steve.macleam@noaa.gov.
