

1982 Chinook Fishery
Southeastern - Yakutat Region
October 1, 1981 through September 20, 1982

Harvest Guideline: 255,500 \pm 3%

Winter Fishery: October 1 thru April 15

Preliminary Harvest: 12,300 Chinook

Waters inside of the surfline open.

Summer Fishery: May 15 thru September 20

All waters east of Cape Suckling open.

Closures of all waters to trolling are anticipated between June 7 and June 16 and between August 10 and August 19.

Additional inseason closures may be possible if chinook harvests threaten to exceed the harvest guideline.

No Harvest to Date

May 14, 1982
