Schedule for meeting

Options for cultural awareness training
Dr. Kate Haapala will present a discussion paper evaluating different options for cultural awareness training for the Council to consider. The committee will provide their recommendations for the Council.

Review Report
The committee will review the draft Report and identify the list of committee recommendations to submit to the Council at the February Council meeting.

Revise Report
The committee will revise and finalize the report for the Council. Specifically, the committee will draft rationale for each recommendation to the Council.
