## NPFMC January 2001 - 148th Special Meeting

### January 12, 2001

## AGENDA - 148th Plenary Session Special Meeting

The North Pacific Fishery Management Council convened a special meeting to consider the following issues:

- a) Consult with NMFS on emergency rule, and specifications, for first half of 2001
- b) Discuss measures related to second half of 2001
- c) Discuss schedule for protective measures for 2002 and beyond (including role and timing of Council Committee)
- d) Develop schedule and proposal for independent scientific review of BiOp and underlying hypotheses.

All meetings are open to the public, except executive sessions of the Council. Other committee and workgroup meetings may be scheduled on short notice during the week and will be posted.

Note for historical documents, all motions are considered draft unless otherwise noted. Final motions are available in the minutes.
